Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Friday 15 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry this evening. Rain and snow overnight, clearing later Saturday.

This Evening and Tonight:
A largely dry evening with occasional clear spells and a slight frost. Becoming increasingly cloudy and windy overnight with a band of rain spreading into the west later, preceded by snow, especially on hills. Minimum temperature -1 deg C (30 deg F).

Saturday:
Cloudy and windy with rain, sleet and snow moving eastwards. Several centimetres of snow are possible in places, but is likely to turn increasingly to rain before clearing east later. Maximum temperature 6 deg C (43 deg F).

Outlook for Sunday to Tuesday:
Sunday and Monday will be largely dry with bright or sunny spells. Cold overnight however, with widespread frost. Cloudy and very windy on Tuesday with outbreaks of rain. Milder.
